ABSTRACT

This publication contains three extensive tables presenting data on college and university enrollment in New York State in the fall of 1992. The data were gathered through the New York State Education Department's Higher Education Data System. The tables are as follows: (1) degree-credit enrollment and first-time students in institutions of higher education by level of program and institutional classification (State University of New York, City University of New York, independent, proprietary, two-year, four-year and higher, and graduate only); (2) degree-credit enrollment and first-time students in institutions of higher education by level of program and institution; and (3) degree-credit enrollment trends in institutions of higher education by sector from the fall of 1980 to fall of 1992. DEFINITIONS

DEGREE-CREDIT ENROLLMENT: Students taking courses which are creditable toward a credit-bearing diploma or certificate or an associate, bachelor's, master's, doctoral, or first-professional degree.

UNDERGRADUATE: Students enrolled in a four- or five-year bachelor's degree program, in an associate degree program, in a vocational or technical program that is normally terminal and results in formal recognition below the baccalaureate, or students who are not candidates for a degree or other formal award, although taking degree-credit courses designated by the institution as undergraduate level.

FIRST-PROFESSIONAL: Students enrolled in a professional school or program which requires at least two academic years of college work for entrance and a total of at least six years for a degree. This category only includes students taking courses in the following first-professional degree programs: Dentistry (D.D.S. degree), Medicine (M.D. degree), Optometry (O.D. degree), Osteopathic Medicine (D.O. degree), Pharmacy (D. Phar. degree), Podiatry (Pod.D., D.P.) or Podiatric Medicine (D.P.M. degree), Veterinary Medicine (D.V.M. degree), Chiropractic (D.C. or D.C.M. degree), Law (LL.B. or J.D. degree), and Theological Professions (B.D. or M. Div. degree).

GRADUATE: Students who hold the bachelor's or first-professional degree or equivalent and are enrolled in graduate level curricula which lead to a certificate, master's or doctoral degree, or students who are not candidates for a graduate degree or certificate but are taking degree-credit courses designated by the institution as graduate level.

FULL-TIME: Those students whose academic load-course work or other required activity is at least 75 percent of the normal full-time load. Undergraduate students must carry at least 12 credit hours to be considered full-time, while graduate students must carry at least 9 credit hours. Graduate students enrolled in The City University of New York must carry at least 12 credit hours to be considered full-time.

PART-TIME: Those students whose academic load-course work or other required activity is less than 75 percent of the normal full-time load.

UNDERGRADUATE FIRST-TIME STUDENTS: Students who began their first academic year in a degree-granting institution after July 31, 1992 and are currently enrolled at the undergraduate level, either in a program or as an unclassified student. In addition to the traditional first-time student, this category includes students entering with advanced standing achieved through examination, completion of courses in nondegree-granting nursing schools, or college courses taken while high school students not formally enrolled in college programs.
